PM to inaugurate

UoM Centenary Convocation: MP

Pratap Simha inspects Software Technology Parks of India (STPI) building and Incubation Centre at Hebbal to be inaugurated by Modi

Mysuru, Aug.30 (PM&NNN)- Prime Minister Narendra Modi has been invited to inaugurate University of Mysore (UoM) Centenary Convocation next year (2020) and during his visit there are plans to request him to inaugurate the Software Technology Parks of India (STPI) building and Incubation Centre that is coming up at Hebbal Industrial Area, said MP Pratap Simha.

Addressing the media after visiting the site and inspecting the development works at the STPI premises, here this morning, he said that the STPI in Mysuru was inaugurated in November 1998, by the then Prime Minister Atal Bihari Vajpayee at Sri Jayachamarajendra College of Engineering (SJCE) campus, which was the first non-capital city to have STPI in India.

However, it is due to the encouragement given by PM Modi, that the STPIs have started functioning more effectively with many Start-Up companies setting up their facilities in Tier-II and Tier-III cities, he said.

Mysore University Vice-Chancellor Prof. G. Hemantha Kumar presenting the Coffee-Table Book 'One Hundred Years - University of Mysore' to Prime Minister Narendra Modi in New Delhi last month as Mysuru-Kodagu MP Pratap Simha looks on.

The connectivity to these cities have improved tremendously with the introduction of UDAN (Ude Desh Ka Aam Nagarik) in Mysuru, the air connectivity is a big boon, as also the expansion of Highway between Mysuru and Bengaluru, he said and added that it is because of the push given by Modi to move away from Metropolitan cities that the focus has shifted to Tier-II and III cities which will benefit their growth, he said.

The STPI broadly provides services that includes Data Communication, Incubation and Project Management and Consultancy Services where the Start-Ups can ideate, incubate and implement their projects. Once these Start-Ups improve then they move out making way for others, said Pratap Simha.

'Not committed any rape'

D.K. Shivakumar on ED summons

Shivakumar

Bengaluru, Aug. 30 (UNI)- D.K. Shivakumar, Karnataka Congress' chief trouble-shooter and former Minister, will appear before the Enforcement Directorate (ED) in New Delhi this afternoon in connection with a money-laundering case. The probe agency called him again last night after his petition challenging the summons was rejected by the Karnataka High Court yesterday.

"Please don't take tension, I have not taken tension, there is no need to take tension. I have not committed any mistake. I have not committed any rape or taken money, there is nothing against me," Shivakumar told reporters in Bengaluru this morning, adding he is being targeted.

The Enforcement Directorate registered a money-laundering case against Shivakumar and a few others in September last year for alleged tax evasion and illegal transactions worth crores. Shivakumar has approached the Karnataka High Court's Division Bench against yesterday's order that rejected his petition against the probe agency's summons.

Shivakumar, an employee at Karnataka Bhavan in New Delhi and others were named in the case. "From the past two years, the entire property of my 84-year-old mother has been attached by various investigation authorities as *benami* property and I am the *benami* there. Our entire blood has already been sucked," he told reporters.

(See SHIVAKUMAR on page 9)

District Minister on inspection-spree

- Chamundi Hill multi-level parking facility to open on Sept. 20
- 650 cars can be parked in the new facility
- Five lakh litre capacity water tank to be constructed atop Hill

Mysuru, Aug. 30 (MTY&VNS)- Housing and District In-charge Minister V. Somanna went on an inspection-spree in city from 6 am today.

First, he visited the multi-level parking facility atop Chamundi Hill. Though the project was initiated by Siddharamaiah Government, the facility is not yet open.

"Now that the works are almost completed, officials have been told to prepare for the inauguration on Sept. 20 and Chief Minister B.S. Yediyurappa would be approached for the inauguration ahead of Dasara," Somanna said.

The three-floor multi-level parking facility has been constructed on an 8-acre land with a built-up area of 31,000 square metres at a cost of Rs. 79.9 crore. The complex also has 116 commercial shops, queue complex, 6 resting halls, 8 toilets and a separate walkway to the temple.

Moulding *minds*

Every generation has its task cut out in bequeathing the land's time-honoured wealth comprising mainly the principles of live 'n' let live for enduring orderly life, far different from its contemporary features marked by countrywide unrest due to gross neglect of its duty to mould minds of the succeeding generation. Given the thirty-year span that separates one generation from the next, it shouldn't be a tall order to accept that responsibility and carry it out as a duty. Mother is universally associated with that duty, considered as the child's first teacher, if not as also the first friend, philosopher and guide. Mother herself having been a child before, the canvas on which she draws the path for her child is vast and mind-boggling in its details. Her own background dotted by early experiences in life, education, ambience in which she grew, economic health of her family, her place in society, company she keeps, outlook to life and so on do impact the way she *manages* the child amidst the domestic chores. The urban-based mother forced to work for livelihood cannot spare time for her child to the extent required to fulfil her duty to the child.

The voluminous literature in the land's various languages, including Kannada, in the form of proverbs, idioms, verses, words of wisdom *(Subhashitha)*, fables, epics and others is a veritable cornucopia as a source of the ground rules of the game of moulding not only minds but also the manner of conducting oneself in different situations both at home and in the open.

Life of the child in the toddler stages and that after entering the portals of school are different kettles of fish and tends to become complicated due to a multitude of factors, with both credit and discredit showered on the teacher fraternity. Given the large presence of the land's well-marked sections creating unrest, committing fraudulent acts, crime, defying the laws, speaking in the open to hurt sentiments of fellow-citizens and so on, one cannot be faulted to remark that the past few generations have let down the society. Only issues of unmanageable garbage and plastic proliferation are hogging column space of dailies, masking a plethora of other issues threatening the nation's socio-economic health and integrity.

The air is abuzz with prescription attributed to well-meaning member of society for starting actions at the school stage to raise future generations with refined conduct on lines of guidelines originating in the country's aforementioned sources. Teachers being the agents for moulding minds, it is appropriate to raise the question: Do we have teachers in adequate numbers to shoulder that duty?

EDITOR'S BOTTOMLINE

WHATSAPP WOES: ***Those who have been unwilling recipients of WhatsApp forwards, good morning messages, and wishes will identify with this one. The latest to be hit by a WhatsApp blitz is none other than the Chief Justice of the Allahabad High Court, who had been receiving a deluge of good wishes and messages from his Junior Judicial Officers on the occasion of Krishna Janmastami last weekend. To put an end to this, the Registrar General of the High Court sent a directive to all District Judges, urging them to stop the practice immediately. "Any lapse on the part of any Judicial Officer will be viewed seriously," the Registrar said in his directive.*** *— In Business Standard*

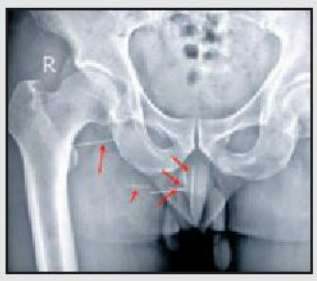
NEWS SPARKLERS

Artist paints better with her breasts than hands

Belarus: Nadia Matievskaia, a self-taught artist from Belarus, has been making news headlines for her unusual "brush". The young artist uses her breasts to paint.

Nadia never trained to become a painter, in fact she dreamed of having a career in the music industry, but a year and a half ago she started taking acting lessons and discovered a hidden talent. The young artist says that the courses taught her not to be so constrained and explore her innermost feelings, but they also helped her experiment with her body and discover an unexpected way to make money. An assignment that one of her teachers gave her required her to create a painting using her breasts and try to sell it. She did exactly that, and she's been doing it ever since.

He lives with 8 metal needles stuck in his butt



Beijing: A Chinese man's decade long pain in the butt was finally solved after doctors extracted no less than 8 embroidery needles stuck in his right buttock.

For the past 10 years, Chen, a 55-year old retired man from China's Changsha Province, had frequently experienced a stinging, tingling sensation in the right part of his behind, but he never went to have it checked out by a doctor. He reportedly felt the stinging sensation most often when he ran, but because of his busy work schedule, he never went to the hospital. He finally made it to a doctor earlier this month.

An X-Ray of Chen's backside showed no less than eight sharp needles embedded deep in his right buttock. Asked how they could have gotten there, the 55-year-old remembered that he had once fallen into a pile of garbage at work and that he had indeed landed on metal needles as well. However, he plucked them out of his backside himself, and thought he had removed all of them.

HEALTH CAPSULE by Bron Smith

Why is saffron spice so expensive?

One of the world's most expensive spices, saffron sells for over $500 per ounce. The three tiny thread-like stigmas in the centre of the flower are harvested individually, making saffron a very labour-intensive spice, and thus very expensive. Iran is the world's biggest producer of saffron, at 360 tons per year.

Seed Funding and Incubation for Start-Ups at SJCE-STEP

Mysuru, Aug. 30-Challenges are what make life interesting and overcoming them is what makes life meaningful — entrepreneurs are at forefront to deal with challenges and converting them into opportunities.

Sri Jayachamarajendra College of Engineering - Science & Technology Entrepreneurs Park (SJCE-STEP), JSS Technical Institutions Campus, Mysuru, from a few decades has been supporting entrepreneurs through training and development, thereby creating an ecosystem for entrepreneurship in and around Mysuru region for building new business.

In continuing this legacy over a decade, SJCE-STEP has been supporting Start-Up culture for young entrepreneurs who aspire to start and grow their own business. Hence, SJCE-STEP is offering Seed Funds for eligible Start-Ups in the field of Electronics, IT and New Technology Space. Applications are invited from Start-Up companies for Incubation and Seed Fund support at SJCE-STEP.

Registered Start-Ups can apply online via: *www.sjcestep.in* or contact: K.Jyothir Ganesh on Ph: 0821-2548320 or Mob: 98800-28706 or email: *info@sjcestep.in*, according to a press release from B. Shivashankar, Chief Executive.

Inter-Collegiate competitions at Vijaya Vittala on Sept.7

Mysuru, Aug. 30- Vijaya Vittala Composite PU College, Saraswathipuram, has organised city-level inter-collegiate Bhavageethe and General Knowledge quiz competitions for PU students at its premises on Sept.7 (Saturday) from 9.30 am.

Two students from each college may participate in both contests. Those interested may register their names before Sept.6 at the College Office (Ph: 0821-4243700), according to a press release by from the College Principal H. Satyaprasad.

Really...?

- ***The fossilised skeletons of the prehistoric whale were found in the Egyptian Sahara. Known as the "Valley of the Whales," this section of the desert is a 50-million-year-old treasure chest of fossilised marine life.***
- ***"Big Mama Brooding" is the name given to this 75-million-year-old fossil that depicts an oviraptorid dinosaur protecting its eggs to its last breath.***
- ***This fossil shows the unique tooth whorl of Helicoprion, a distant relative of modern sharks. Now extinct, this genus of holocephalid eugeneodontid fish had a buzz saw mouth.***

VOICE OF THE READER

KSRTC luxury bus service to Bengaluru losing charm

Sir,

The Airavat bus services of KSRTC to Bengaluru is not only overpriced, but also not worth the money especially for Bengaluru. Upon introduction, the services were so good and most of the buses used to reach Nayandanahalli in 2 hours 15 minutes. Let us forget weekends, when the traffic is more, even on weekdays, during daytime also buses take more than 3 hours.

Earlier buses were not stopping everywhere, but now when they stop for coffee break in Maddur, they stop for 20-plus minutes without any control.

Another factor is most of the buses are Club Class buses which costs 310 rupees as opposed to 295 rupees in Shatabdi train for a 1hr 55 min journey with much more comfort. For Bengaluru, people do not need Club Class, single axle Airavat with competitive fare of Rs. 220 on weekdays and 240 on weekends with an efficient service. Otherwise these buses will be calling for passengers 'forever' which averages 45 minutes.

Mid-range Rajahamsa needs a complete overhaul. Fleet is too old and looks like all the parts will drop on the road. Ageing fleet needs a replacement along with fixing attractive price at Rs. 150.

Most of the people who travel to Bengaluru for official or business purpose need a time-saving journey more than luxurious journey. Trains being cheaper and a time variation of max 15-30 minutes, people are turning towards trains.

KSRTC should also complement it to handle the extra crowd with efficient services along with allowing private operators like VRL, SRS to start services. This reduces the number of cars and fatal accidents on road between the two cities.

Rs.100 crore immediate relief for Kodagu: CM

Yediyurappa permits landowners to sell sand and wooden logs which have drifted to their land due to floods

Madikeri, Aug.30 (UNI)- Chief Minister B.S. Yediyurappa yesterday announced that Rs. 100 crore will be released on Aug. 30 (today) in the first instalment of Rs. 536 crore special package to Kodagu district.

The CM was speaking after going through a presentation on the havoc caused by rains and floods early this month in the district, at Kudige's Sainik School campus. Yediyurappa said rains had wreaked havoc and caused extensive damage in Kodagu, which was already devastated by floods and landslips last year. "The special package was announced during a meeting in Bengaluru recently, and accordingly I am releasing the funds," he said after a meeting with elected representatives and officials.

He said that so far 14 people have died in the floods and rain havoc that led to landslides in the district and still four people are missing. Earlier, the CM assured permanent houses will be provided to those who lost their houses in the floods and rain havoc in the district.

Speaking after hearing the grievances of the affected people at Nellihudikeri village, he said that temporary sheds will be constructed at a cost of Rs. 50,000 provided to affected people and later permanent houses will be constructed.

He said that all necessary steps will be taken up for rehabilitation of the affected people. Besides work on the road repairs and other relief works had already begun and District Administration was doing the works on a war-footing. Former Legislative Assembly Speaker and MLA K.G. Bopaiah said northern parts of Kodagu was worst affected this year when compared to last year.

Kodagu Deputy Commissioner Annies Kanmani Joy said that Rs. 85 crore grants which was released by the State Government earlier has been utilised for urgent measures and only Rs. 60 crore is lying in the account. Yediyurappa meanwhile assured of permitting landowners to sell the sand and wooden logs which have drifted to their land because of floods. He also instructed the DC to issue an order in this connection.

Bopaiah requested the CM to direct the District Administration towards the removal of silt in Harangi reservoir, Lakshmanatheertha and Cauvery Rivers. Also, loan waiver should be provided to coffee growers, who have incurred huge losses owing to floods, he requested.

MLA Appachu Ranjan appealed to the Chief Minister for early identification of the land for construction of houses in the affected areas besides all roads needs repair including the Mysuru-Bantwal Highway. He sought permanent rehabilitation for those whose houses on river banks were destroyed as a permanent solution. He sought immediate action against those who have encroached upon government land and demanded relief for growers of coffee and other crops who suffered loss.

DC Annies Kanmani Joy presented a report to the CM on the flood and rain havoc during the first and second week. Revenue Minister R. Ashoka asked officials to provide mini buses and remove uprooted trees in the roads and provide power supply as early as possible.

Primary and Secondary Education Minister and District Incharge Suresh Kumar, MLC Sunil Subramani, MLC Veena Achaiah, Zilla Panchayat President B.A. Harish, Vice-President Lokeshwari Gopal, Superintendent of Police Dr. Suman D. Pennekar and Kodagu Zilla Panchayat CEO K. Lakshmi Priya were present.

Rs.1.5 lakh Dasara fund to each MCC ward

Mysuru, Aug.30 (SBD&DM)- District In-charge Minister V. Somanna has promised Rs.1.5 lakh fund to each of the 65 MCC wards for *Mane-Mane* Dasara and Rs. 50 lakh for *Grameena* Dasara.

With Dasara round the corner, Somanna held a meeting with MCC Corporators at the MCC's Old Council Hall and ZP members at the ZP Hall here yesterday.

Pointing out that the concept of *Mane-Mane* Dasara was envisaged when the BJP Government first came to power in 2008, Somanna said *Mane-Mane* Dasara was held for four years from 2009-2013, when Rs.1 lakh was released for every ward. This concept made sure that every citizen got involved in the *Nada Habba*, he said and added that this concept would be resumed from this year.

MLA L. Nagendra wanted urgent repairs for heritage structures like Devaraja Market and Lansdowne buildings, with a portion of both the buildings collapsing in recent years.

Bringing to notice the poor state of many roads in the city, with most of them filled with potholes, Nagendra urged the authorities to fill up pothole on a war-footing.

Some Corporators demanded that prominent circles such as Vivekananda Circle, Ramaswamy Circle and Kuvempu Circle be specially illuminated during Dasara.

Minister Somanna said that officers have already been appointed for various Dasara Sub-Committees and non-official members will be appointed shortly.

MCC Commissioner Gurudatta Hegde said that the all important *Raja Marga* works have been taken up at a cost of Rs.5.77 crore, for which tenders have been invited.

Pointing out that 2,167 pourakarmikas have been working to keep the city clean, Hegde said that 330 more pourakarmikas will be deployed for Dasara, for which a Rs.30 lakh grant has been sought from the DC.

ZP members demand preferential treatment

At the meeting held at ZP Hall, ZP members sought preferential treatment for them during the *Nada Habba*.

ZP President Parimala Shyam demanded that the ZP be sanctioned Rs.50 lakh grant for Dasara celebrations at taluk and Hobli levels.

ZP member Beerihundi Basavanna wanted adequate representation to people representatives in Dasara Sub-Committees.

Another ZP member Achyuthananda wanted maintenance of quality in all emergency Dasara works. H.D. Kote Anil Chikkamadu demanded that *Adivasis* (Tribals) of H.D. Kote taluk, be given an opportunity to take part in Dasara celebrations.

Emphasising on the need for printing Dasara invitation cards much earlier, the MLA wanted more flexibility in Dasara Gold card distribution.

After hearing suggestions from ZP members, Somanna declared Rs. 50 lakh, with Rs.1 lakh grant to each of the 49 ZP Constituencies in the district. Later, Somanna held a meeting with officials, in which former MLC G. Madhusudhan took part.

The presence of G. Madhusudhan at the official meeting raised eyebrows, as some felt that the Minister seeking suggestions from a former MLC at a meeting with officials, was a violation of protocol.

Argument over ferrying passengers

Auto driver assaults two with cutter

Mysuru, Aug. 30 (MK&KS)- An argument between an auto driver and a car driver over ferrying passengers resulted in the auto driver assaulting two other auto drivers — who intervened to stop the fight — near Sub-Urban Bus Stand yesterday morning.

The auto driver, who assaulted two others is 39-year-old Yusuf Shariff, a resident of Shanthinagar. He has been arrested by the Nazarbad Police, who have booked a case under IPC Section 307 (attempt to murder) against him. Yusuf was produced before a Court, which remanded him to judicial custody.

Details: A quarrel broke out between Yusuf and car driver Ansar Pasha, a resident of Kalyangiri, over ferrying passengers. As the wordy duel escalated, Yusuf took out a cutter and tried to assault Ansar.

Two other auto drivers, Saleem and Mohammed of Azeez Sait Nagar, tried to stop Yusuf but were assaulted with the cutter causing injuries. They were treated at K.R. Hospital.

Following a complaint by Ansar, Nazarbad Inspector Mahadevaswamy and staff arrested Yusuf.

A passenger, speaking to *SOM* said that thought there is a pre-paid auto counter, autos and car drivers compete with each other to ferry passengers which is a common sight there. Such incidents create panic among passengers, who lose their trust on all drivers. They added that such incidents happen frequently near the Bus Stand.

Man killed in KSRTC bus accident

Mysuru, Aug. 30 (KS)- A man, who was crossing the road was killed when a KSRTC bus rammed into him on Mysuru-Hunsur Road between Hootagalli and Belavadi here yesterday.

The deceased is Shivanna (60), a construction labourer and a resident of Hootagalli.

Shivanna, after finishing his work, was crossing the road, when the KSRTC bus coming from Hunsur side rammed into him. Shivanna sustained serious injuries and died on the spot. Meanwhile, the villagers of Hootagalli staged a *rasta roko* for nearly one hour demanding MP Pratap Simha to come to the spot. They alleged negligence on the part of KSRTC driver.

V.V. Puram Traffic Police and Vijayanagar Police, however, managed to convince the agitators following which the villagers withdrew their protest.

A case has been registered at V.V. Puram Traffic Police Station.

1st Year Remembrance

Dr. (Mrs) IVY M. HANS

Over a cup of evening Tea

By Dr. K. Javeed Nayeem, MD

More Doctors, More Health !

I have this rather odd habit of asking every youngster I meet what he or she wants to become in life. After listening to their dreams I invariably advise them to consider the option of becoming a doctor if it is not already on their menu.

Many parents who want to make their children doctors and who are aware of this bias in me, very often bring them to me with a request that they are in need of that 'one tiny nudge' that can help them to overcome their indecision when they are poised over the brink.

Becoming a doctor and a very 'big' one at that was my only dream in my childhood which I was thankfully able to realise in full measure, going by my own yardsticks, at least. **Ever since I can remember and recall, my daily bedtime prayer among my many other wants, always used to include a very passionate plea to the Almighty to make me a 'Bada Doctor'! I had even informed my parents the length of the table spread and the exact menu that would have to be there on it for the thanksgiving feast upon my return home as a fully qualified doctor!**

With this kind of an affection for my profession it is no surprise that I was very happy to read in my newspaper yesterday that the Government at the Centre was thinking of starting 75 new Government Medical Colleges across the country that would open the doors every year to nearly 16,000 young aspirants wanting to become doctors. This is one of the best things that the Government would be doing and it is actually something that it should have done long ago.

Many of my colleagues may be a little surprised that I am applauding a move that will only be increasing the competition that we doctors will have to face in the coming years. But this is not the right attitude that we should have as human beings as it is very akin to the mentality that we see in an unreserved Railway compartment. **The very same people who cling precariously to the hand rails with just one of their feet on the foot boards and plead to be allowed in, themselves try to prevent others from getting in once they are inside!** The fact is that there is a very great mismatch in our country between the doctors we need and the doctors we actually have to take care of the health needs of our population. And, this disparity is not good at all for the health of our nation.

While most developed countries have more and the WHO recommends a minimum of ten allopathic doctors for every ten thousand people, this figure is just four or even less in our country which is abysmally low and inadequate. When you also take into account the great disparity that exists in the concentration of doctors between our cities and rural areas, the latter are almost bereft of bare minimum medical care. To serve the medical needs of all our citizens reasonably well, we need many more doctors coming out of many more medical colleges than what we are seeing at present.

To view this as something that will lessen the opportunities for existing doctors is a very selfish attitude. **We doctors should understand that it is our competence, bedside manners and the quality of the care we provide that will eventually decide whether patients come to us or not. And, it is also very fair that our earnings should depend on these three factors and certainly not on a scarcity of doctors!** Doctors would therefore do well to welcome more new entrants into their fold in the interests of the needs of our country while keeping their own work ethic in good health.

While most doctors these days lament that the going is not very good anymore with the many restrictions that are being imposed on private medical practice, it is strange that there is still such a great demand for the study of medicine in our country. It is so difficult for our youngsters to enter the medical stream that the announcement of the selection lists is undoubtedly the biggest annual source of frustration and grief for all those who fail to make it. I feel that a medical career should be more accessible to all our youngsters both in terms of competition and the cost too.

Today it is one of the most expensive courses to pursue both in Government and Private Colleges and only those who have the wealth to afford it can enter its hallowed portals. But there is no denying the fact that many join the medical course just because they qualify in the entrance examinations while not being cut out by their personalities to become good doctors.

There have been times when I have been compelled to feel that one needs to have a calling to become a doctor. So I feel that in addition to merit there should also be some kind of a screening process to assess the aptitude of a candidate on the lines of what we have in the civil services selection process. While welcoming the move of the Government to establish more medical colleges I am a little worried that it may not be easy for it to find good and capable medical teachers to run them.

This is too real a problem in our country since the scarcity of doctors with Post-Graduate qualifications far exceeds the scarcity of doctors with basic under-graduate qualifications. Even those doctors who have adequate PG qualifications to serve as teachers in Medical Colleges hesitate to join the teaching profession as it does not pay them as much as private practice pays. This can be mitigated to a great extent if the Government makes medical teaching more lucrative with increased salaries and other perks. A second measure that can help greatly would be to increase the retirement age for medical teachers.

I believe that all good teachers, of all classes and all courses, can do without retirement as the ability to teach has an immortality inseparably enshrined in it! Here, a system of assessment by students through secret ballot to decide who should get this extension and who should not can be of immense help because even among teachers we have both cabbages and kings! **Let me warn you that while some may be retired but not tired, a few others are already dead much before they are shed !**

18 items from Mysuru region get GI tag

Mysuru, Aug. 30 (BCT)- Here is some good news for Mysureans as they are preparing for Dasara — 18 items from Mysuru region has got the unique Geographical Indication (GI). In all, 42 products from Karnataka have got the GI tag and of that 18 are from Mysuru including Mysore Betel Leaf, Mysore Jasmine, Mysore Paintings, Mysore Sandal Soap, etc.

Among the 42 products that have got the GI tag, 20 are handicrafts, 18 agricultural products, 3 manufactured goods and one food stuff. In all, 617 products in India have got the GI tag.

A GI tag refers to a Geographical Indication. To put it simply, it comprises of a sign or even a name of a product or range of products specific to a particular geographical location. The location could be out of a city, region or area, and country. The aim is to preserve the unique identity of the place in relation to the product that has been passing down from one generation to another.

India is a member of WTO (World Trade Organisation). The GI Tags became a part of Indian goods only in the year 2003. As per WTO Agreement (under Article 22(1), on TRIPS (Trade-Related Aspects of Intellectual Property Rights) GI has been defined as "Indications which identify a good as originating in the territory of a member, or a region or a locality in that territory, where a given quality, reputation or characteristic of the good is essentially attributable to its geographic origin."

The Act on Geographical Indications of Goods was passed by the Indian Parliament in Dec. 1999. Though 18 products are identified from Mysuru, some of them face extinction including Mysore Mallige and Betel Leaf.

If Mysore Mallige became the first victim of ungirdled development with the areas of cultivation significantly reducing over the years, Mysore Vilyedele (Betel Leaf) is one more crop to fall prey to urbanisation.

Areas that used to cultivate the betel leaf have shrunk considerably due to expansion of real estate and only 2 percent of the total betel leaves that arrive in city market are Mysore Vilyedele. Mysore Mallige is also facing similar threat and competition from other varieties from Andhra and Tamil Nadu.

The Karnataka Industries Department will soon launch an exclusive policy to protect and promote GI-tagged products. The Department is planning a separate cluster for each GI-tagged product in Mysuru district and the policy will be a big boost to the farmers, artisans and growers. It will be a big boost to the manufacturers and growers.

Industry sources said holograms with State emblem will be developed to certify GI-tagged products and Common Facility Centres will be set up to help growers and farmers to promote their products and avail benefits. They will be provided with financial assistance to showcase their products at international expos. Also, Industries Department is planning a digital platform for product-marketing.

GI-tagged products from Mysuru region

- Nanjangud Banana
- Mysore Mallige
- Mysore Betel leaf
- Mysore Silk
- Mysore Agarbathi
- Mysore Rosewood Inlay
- Mysore Sandalwood Oil
- Mysore Sandal Soap
- Mysore Traditional Paintings
- Ganjifa Cards
- Ganjifa Cards (logo)
- Mysore Silk (Logo)
- Coorg Orange
- Channapattana Dolls
- Coorg Green Cardamom
- Coorg Arabica Coffee

District in-Charge Minister Somanna calls on Pramoda Devi Wadiyar

Mysuru, Aug.30- "It was the Mysore royal family which laid a strong foundation for the Dasara celebrations that is now being celebrated as *Nada Habba* or People's Dasara. Hence, I made a courtesy call on Maharani Pramoda Devi Wadiyar since Dasara is fast approaching and held discussions with her," said District in-Charge Minister V. Somanna.

He was speaking after meeting Pramoda Devi here yesterday and said that he had a close contact with the royal family. So, after assuming charge as District Minister, he met her. She will once again be formally invited for Dasara, he said. MP Pratap Simha, BJP leader M.V. Ravishankar and others were present.

Rotavirus immunisation drive launched in city

Mysuru, Aug.30 (RKB&NNN)- Rotavirus is the leading cause of diarrhoea in children below five years and while nine per cent of children below this age die in the world, in India it is 10 per cent, said MLA S.A. Ramdas.

He was speaking after administering Rotavirus vaccine to infants six weeks, ten weeks and fourteen weeks old at the Primary Health Centre near Kurubarahalli Circle on Chamundi Hill Road here yesterday as part of the Rotavirus immunisation drive throughout the country and said that this scheme fits in with the vision of Prime Minister Narendra Modi to have a Future India with fit children.

Mayor Pushpalatha Jagannath said that under the *Yoga Lakshmi* project, the Mysuru City Corporation will give a bond of Rs.25,000 to each female child born but it is restricted to two female girl children per family.

The forms for this is available with every area Corporator and people can collect it from them, fill it and give it to the MCC. The girl child will become eligible to collect Rs.25,000 once she attains the age of 18, she added.

Zilla Panchayat Chief Executive Officer K. Jyothi said that children below five years must be vaccinated with various vaccines among which Rotavirus vaccine which is newly-introduced is equally important.

The ASHA (Accredited Social Health Activist) workers will administer the vaccines to infants in the age group of six weeks, ten weeks and fourteen weeks by going door-to-door and the vaccine is also available in hospitals and Primary Health Centres free of cost, she said.

78,000 infants die in country

The Rotavirus vaccine is being introduced all over the country for the first time and it has already been introduced in 18 States and now it is being done in Karnataka in the month of August. Every year in India, 37 out of every 1,000 children born are unable to celebrate their fifth birthday, and one of the major reasons for this is deaths due to diarrhoea.

Of the 40 per cent of the children who are affected by diarrhoea, 32.7 lakh children are treated as outpatients, while 8.72 per cent are admitted as in-patients and 78,000 children die annually. In all the PHCs in the taluks of Mysuru District the target is to immunise 36,498 infants with Rotavirus vaccine.

The Rotavirus spreads through fecal-oral route and the main causes are lack of poor hygiene practises and lack of adequate sanitation. However, Rotavirus vaccine along with proper sanitation, hand washing practices, ORS (Oral Rehydration Salts) and zinc supplementation will go a long way in reducing the mortality and morbidity due to diarrhoea in children, said a source at the PHC. The children are administered two drops of OPV (Oral Polio Vaccine) and 2.5 ml of RVV (Rotavirus Vaccine) every 6, 10 and 14 weeks, said the source.

Entries invited for cultural events at Ahara Mela

Mysuru, Aug.30-Ahara Mela (Food Festival) will be organised as part of the Dasara Festival from Sept.29 to Oct.16 at the Bharat Scouts and Guides Grounds and at MUDA Grounds near Lalitha Mahal Hotel.

Various cultural programmes have been organised for the public and for this applications have been invited from artistes both at the local and district level to perform at the Mela.

The cultural programmes will be held from 5.30 pm to 10 pm every day. Those interested in participating may submit their applications with full address and necessary documents on or before Sept. 16 by 5 pm at the new Deputy Commissioner Complex, Food and Civil Supplies Department, 2nd Floor, Room No.34, to Vasanthakumari and Vidya Ramesh.

For more information e-mail: *ddfoodmysore@gmail.com* or call Ph: 0821-2422107, according to a press release.

Ideas, suggestions sought for attractive illumination

Mysuru, Aug.30-Chamundeshwari Electricity Supply Corporation (CESC) will be illuminating the Circles and buildings during the Dasara celebrations beginning from Sept.29 and ending on Oct.8. As part of this, CESC is looking for suggestions and ideas from ideators, sponsors and views from various organisations to illuminate the buildings and Circles in an attractive way.

Those interested may attend the meeting to be held on Sept.4 at 4 pm at the CESC Office, No.29, Vijayanagar 2nd Stage, Hinkal and give their opinions and suggestions, said Mysuru Circle Superintending Engineer K.M. Munigopalraju in a press release.

Pandit Rajeev Taranath to be felicitated on Sept.1

Mysuru, Aug.30-Sarod Maestro and *Padma Shri* Awardee Pandit Rajeev Taranath will be felicitated on Sept.1 at 5.30 pm at Rani Bahadur Auditorium, Manasagangothri, said Pt. Rajeev Taranath Felicitation Trust Trustee Prof. V.K. Natraj.

He was addressing a press meet at Patrakartara Bhavan, here yesterday and said Yaduveer Krishnadatta Chamaraja Wadiyar will speak and Jnanpith Awardee and President of Central Sahitya Akademi Dr. Chandrashekar Kamabara will deliver the felicitation address.

University of Mysore Vice Chancellor Prof. G. Hemantha Kumar will be the guest of honour. This will be followed by a music concert by Vidwan Mysore M. Nagaraj and Vidwan Mysore Dr. M. Manjunath, he said.

Trustees Prof. Krishna Manavalli and N.S. Anand were present.

Week-long Ganesha festival from Sept. 2

Mysuru, Aug. 30- The Mysuru Veerashaiva Sajjana Sangha will be organising several programmes for a week, marking Ganesha Festival starting from Sept. 2, at its premises located on Kabir Road, Mandi Mohalla in the city.

Ganesha Idol will be installed at 10 am on Sept. 2.

On Sept. 6, several entertainment and cultural programmes will be held starting at 6.30 pm.

On Sept. 7, State award winner Ventriloquist Suma Rajakumar of *'Bigg Boss'* fame, will present a Talking Doll show at 7 pm.

On Sept. 8, Dasoha (mass feeding) at 11 am, followed by Mahamangalarathi at 12.30 pm.

Ganesha idol will be taken in a procession at 3.30 pm on Sept. 8 (Sunday) in the presence of a large number of devotes.

For more details, call Ph: 0821-2440134 or Mob: 96320-70134.

District Minister on inspection-spree

District Minister Somanna along with officials inspecting multi-level parking facility atop Chamudi Hill this morning.

(Continued from page 1)

Somanna added that the road leading from the parking facility to the Main Road would be relaid and the parking facility will have a separate drinking water tank of 5 lakh litre capacity. He asked officials to clear the garbage dump next to commercial shops.

Former District Minister and MLA G.T. Devegowda requested Somanna to construct a new Dasoha Bhavan in the existing parking area once the parking is shifted to the new facility.

Somanna said, "I have got a chance to serve Goddess Chamundeshwari. Measures would be taken to see that works are completed within this year's Dasara. I will not bring about drastic changes but would make necessary changes in policies wherever required."

Breakfast meeting

Minister Somanna held a breakfast meeting with city journalists at the Government Guest House where he informed that this year's Dasara would be celebrated with co-operation from public and political parties.

"Programmes such as 'Mane Mane Dasara', 'Grameena Dasara' and 'Kreeda Dasara' will be given importance.

"I have met Pramoda Devi Wadiyar to discuss the celebrations and a meeting will be called with both Congress and JD(S) leaders. Information Centres will be opened at various parts of the city along with 24x7 call centre for the benefit of tourists. Waterproof pendals would be erected at Dasara programme venues," he added.

Sub-Urban Bus Stand visit

Soon after the breakfast meeting, Minister Somanna headed towards Sub-Urban Bus Stand. There, he was irked with haphazard parking of buses on the main road and asked KSRTC officials to clear them immediately.

He also ordered the officials to cover potholes and make way for smooth traffic movement. MP Pratap Simha, MLA L. Nagendra, DC Abhiram G. Sankar, ZP CEO K. Jyothi, DCP Muthuraj, Tahsildar T. Ramesh Babu, AC H.N. Shivegowda, MCC Commissioner Gurudatta Hegde, City BJP President Dr. B.H. Manjunath, former MyLac Chairman M.V. Ravishankar, former Minister Kote Shivanna and others were present.

Minister Somanna along with officials at Sub-Urban Bus Stand

Somanna to join jumbo rehearsal tomorrow

District Minister V. Somanna will join the Dasara elephants for the rehearsal of Jumboo Savari tomorrow at 6.30 am. He will walk through the entire Dasara procession route -- from the Palace to the Torch Light Parade Grounds -- along with elephants and officials.

He also announced that this year's Dasara Sub-Committees will include all 65 Corporators, 48 ZP members and members of other political parties.

MP inspects new building of Software Technology Parks

MP Pratap Simha inspecting Software Technology Parks of India (STPI) building at Hebbal Industrial Area in city this morning as STPI In-charge and Additional Director Jayaprakash and others look on.

(Continued from page 1)

Mysuru itself is a good example of a Tier II city as it has shown significant progress in nurturing the growth of Software industry with nearly Rs. 6,000 crore worth IT exports done from the city, he said.

Asked about the delay in the completion of the Rs. 24 crore project which began in 2016, he said that it is true that the project which was to be completed in 2018 has been delayed. But now it will be completed by December end and be ready for inauguration, he added.

Along with the inauguration of STPI, PM Modi will also inaugurate the ESDM (Electronic System Design Manufacturing) Cluster at the same STPI premises, besides inaugurating the Centre of Excellence worth Rs.137 crore coming up at the All India Institute of Speech and Hearing and Currency Printing Factory at RBI premises, he said.

It may be recalled UoM VC Prof. G. Hemantha Kumar, along with MP Pratap Simha, met Prime Minister Narendra Modi at the Parliament Office in New Delhi last month and invited him to attend the Centenary Year Convocation of the University that will be held in 2020.

STPI in-charge and Additional Director Jayaprakash, CPWD Electrical Assistant Engineer Koteshwar, Civil Assistant Engineer Sudish Babu, Civil Junior Engineer Kalidasan and others were present.

Salient Features of STPI

Software Technology Parks of India Mysuru is coming up on 2.36 acres of land at Hebbal Industrial Area. The construction of the building is entrusted to Central Public Works Department (CPWD), Mysuru and the project cost is Rs.24 crore.

The built-up-area is 40,000 sq.ft, with ground, first, second floors and terrace. The ground floor (area 9,356 sq.ft) will have Plug-and-Play Incubation Centre (58 workstations), one Conference Room (15 seats) and two Discussion Rooms (8-seat capacity). The first floor (area 7,849 sq.ft) will have STPI office (12 workstations), NOC (Network Operation Centre) of 800 sq.ft and Co-workspace Incubation with 52 seats. The second floor (area 10,282 sq.ft) will have Raw Incubation space (8,100 sq.ft) and three retiring rooms.

The terrace (area, 1315 sq.ft) will have a dining area (64 seats) with kitchen.

Ganesha clay-making workshop at Forum Mall tomorrow

Mysuru, Aug.30- Forum Centre City (Forum Mall) is organising a Ganesha clay-making workshop as part of Ganesha festival at its premises on Hyder Ali Road, Nazarbad tomorrow (Aug.31) at 5 pm.

Professional instructors from 'The Thought School' will demonstrate step-by-step process to make Ganesha idols using natural clay and tools. Micron-filtered natural terracotta clay will be the best eco-friendly and auspicious medium for the idol. The workshop is open to people of all ages. For more details contact Mob. 76248-04666, according to a press release.

STAR PUNCH By Satish Acharya

MUDA-allotted 'B-Kharab' Lands of Kurubarahalli Sy. No. 4 and Alanahalli Sy. No. 41

Residents' delegation meets MP; urges him to solve issue before Dasara

Mysuru, Aug. 30 (RKB&BCT)- A delegation of Kurubarahalli residents under the banner of Samaja Seva Trust met Mysuru-Kodagu MP Pratap Simha at the Office of Mysuru Urban Development Authority this morning and submitted a memorandum appealing him to solve the Kurubarahalli Survey No.4 and Alanahalli Survey No.41 deadlock before Dasara. The Trust comprises several resident associations in Siddarthanagar, Kurubarahalli, J.C. Nagar and K.C. Layout.

The delegation urged him to provide relief to over 25,000 residents who are suffering due to certain wrong decisions taken by the Mysuru District Administration. They told the MP that in May 2015, the District Administration had classified the land coming under the said survey numbers as 'B-Kharab' following which the MUDA and the MCC had stopped issuing land records such as Khata transfer, building plan approval, CR etc., of sites and other landed properties in CITB (now MUDA) developed Layouts of Siddarthanagar, Vidyanagar, K.C. Nagar, J.C. Nagar, Alanahalli and Income Tax Layouts coming under the two Survey Numbers.

The delegation told the MP that in all, 710.17 acres out of 1,543 acres has been declared as 'B-Kharab' in Kurubarahalli Survey No.4 and 74 acres out of 175 acres has been declared as 'B-Kharab' in Alanahalli Survey No.41. These lands were taken over by CITB 70 years back to form Layouts. This action of the authorities had caused a lot of hardship to residents and property owners in these Layouts as they cannot do any property transactions.

Despite a Cabinet order (No. CM/52430/REP-4EM/2018 dated Sept. 17, 2018) passed when Siddharamaiah was the Chief Minister, no action has been taken in this regard and the coalition government did not do much in this regard. "Even MLA S.A. Ramdas had promised last February that the vexed issue will be solved in 15 days. But unfortunately, nothing has moved so far," the MP was told.

"The lands had been purchased by over 25,000 people from MUDA (then CITB) in 1970s. However, they are yet to get land records, in spite of them being legal owners of the land. Hence, everything had come to a standstill as they are neither able to sell their houses nor build extra floors," the delegation told Pratap Simha.

Giving a patient ear to the delegation, the MP told them that he will speak to Chief Minister Yediyurappa and bring the problems to his notice and assured them of speedy solution. The delegation also sought a detailed meeting with the MP at his office so that he understood the problems faced by the residents.

S. Prasanna Kumar of the Samaja Seva Trust, Ganesh Kumar, N.S. Umesh, M.S. Mahesh Chandra, M. Rajesh, B.M. Vishwanath, C.M. Shivakumar, M. Pradeep Kumar, K.M. Vijaya Kumar, Kumar Gavade, S.T. Ravikumar and others were present.

New MEMU trains between Mysuru and Bengaluru

Mysuru, Aug. 30- The South Western Railways has introduced new MEMU (Mainline Electric Multiple Unit) train in the morning and evening by cancelling the Push-Pull train, for better passenger convenience.

Earlier, the Push-Pull train could carry 1,700 passengers in the 16 bogies. Also, this train would be jam-packed as it reached Mandya, Maddur and Ramanagaram. A MEMU train, with its specially designed and spacious bogies can carry over 6,000 passengers.

Now, the MEMU train will start at 6.10 am from Mysuru and from Bengaluru, it will start at 7.30 am. This train is a lifeline for people and regular office-goers travelling between Mysuru and Bengaluru. This will also help those living in Mysuru Road suburbs of Nayandahalli, Kengeri and Hejjala in Bengaluru as well.

Along with these MEMU trains, there is good response to MEMU trains that leave Bengaluru at 9.15 am and the one that leaves for Bengaluru from Mysuru at 1.45 pm. At a flat fare of Rs. 30 per passenger, one can reach Mysuru from Bengaluru's Majestic in just short of three hours. The return journey will take a little less than four hours at a top speed up to 110km per hour for the whole journey.

D.K. Shivakumar on ED summons

(Continued from page 1)

D.K. Shivakumar tweeted this morning that he received the Enforcement Agency's summons at 9.40 last night. "Although the sudden scheduling by ED is malafide, I believe in rule of law and will definitely participate and fully co-operate with them and abide by the law of our country," he wrote on Twitter.

He also alleged that the Income Tax Department's search and seizure operation carried out at his home and properties owned by him and his associates in August 2017 was politically motivated.

"I've requested the Court that it's a simple Income Tax matter. I've already filed ITR. There's no Prevention of Money Laundering Act. I-T raid on me was politically motivated for hosting Gujarat Congress MLAs. As a loyal soldier of Congress and a responsible politician, I did what party asked me to do, for which I am being targeted. I have full faith in legal systems and will face this legally as well as politically," Shivakumar added.

Shivakumar's counsel, B.V. Acharya, this morning, moved the High Court seeking interim protection for Shivakumar from the ED until he could appeal the High Court's decision to dismiss his plea to quash the summons.

The Enforcement Directorate's counsel, M.B. Nargund filed objections to Shivakumar's plea and requested the Court to dismiss it. "How can we proceed after dismissing the plea? Why can't you place your request before the ED?" Justice Arvind Kumar questioned B.V. Acharya. The Court, however, rejected Shivakumar's plea today afternoon.

ISHA Foundation to launch 'Cauvery Calling' on Sept. 3

Mysuru, Aug.30 (RKB&DM)- Sadguru Jaggi Vasudev's ISHA Foundation will launch its ambitious 'Cauvery Calling,' an (Cauvery Koogu) outreach initiative to save Cauvery river at Talacauvery in Kodagu district on Sept. 3.

Announcing this at a press meet at Pathrakartara Bhavan here this morning, ISHA Foundation Convenor B.S. Subramanya said that the initiative will be launched at Talacauvery, the birth place of River Cauvery on Sept. 3. This campaign to save River Cauvery will travel through various places along the Cauvery basin and will terminate at Chennai after passing through Poompuhar at Thiruvarur in Tamil Nadu, covering a distance of about 1,500 kms, he said.

Pointing out that awareness programmes will be held during the campaign, with Sadguru Jaggi Vasudev addressing the gathering at many places along the Cauvery basin, he said.

That the initiative has plans to plant 2.42 crore saplings all along the Cauvery basin, as part of afforestation drive, he said.

Continuing, Subramanya said that after the launch at Talacauvery, the Sadguru will address the public, the details of which is as follows:

Sept.3 at Madikeri: 3.30 pm- Crystal Hall, near Sudarshan Circle.

Sept.4 at Hunsur: 4 pm – Gowramma Puttaswamappa Convention Hall.

Sept.5 at Mysuru: 6 pm- Ambedkar Bhavan, Subhash Nagar.

Sept. 6 at Mandya: 4 pm- Ambedkar Bhavan, Subhash Nagar.

Sept.8 at Bengaluru: 5.30 pm- Tripura Vasini Gate, Palace Grounds.

Noting that 'Cauvery Calling' is a policy based initiative with community participation and involvement of several other stakeholders, Subramanya highlighted the importance of saving Cauvery river, the lifeline of crores of people along the river basin in Karnataka and Tamil Nadu.

For complete details about the initiative, log on to the website: kannada.cauverycalling.org or email to: media.karnataka@ishafoundation.org or call +91-96635-95785, 97402-49302 or 96633-26770.

Foundation's Udaya Ravi, Vrushabh, Mamatha, Latha, Kumaraswamy and Narendra were present at the press meet.

Do It Yourself GREEN Ganesha

By V. Shourabh

With the onus of protecting Mother Earth and going green, a lot of awareness has been created among Mysureans and they have now switched to eco-friendly idols that are devoid of Plater of Paris (PoP) and any sort of chemicals.

It is an icing on the cake if it is a Green Ganesha and you have an opportunity of making your idols. There is always an immense sense of joy, element of curiosity, creativity and fun behind making your own idol.

The *Hobby Place* at Yadavagiri, a creative space (art school) to pursue your hobby, has started a workshop wherein people can walk-in and learn how to make their own Gowri-Ganesha idols. They have skilled artists and tools which help people, especially children to make their own idols. Even families can walk-in and learn the making of Ganesha and carry their created Ganesha back home.

Speaking to *Star of Mysore*, **Savita Shenoy,** Founder, *The Hobby Place*, says, "We are conducting this Ganesha idol-making workshop since six years. Every year, families and friends come here to make their own Ganesha idols. This is to infuse tradition of the festival and

to enjoy the process of making the idol with your loved ones and learn sculpting your own eco-friendly idols with or without the help of moulds and our artists. Here we use natural clay and hence our focus is to promote eco-friendly idols. A lot of children take part."

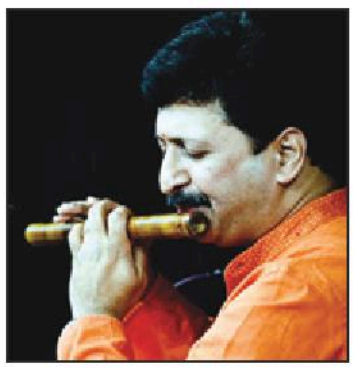
Preparing your own idol kindles a sense of happiness and satisfaction as one creatively puts in efforts to design his or her idols. Children love to make their own Ganeshas and through this workshop a new sense of fun and joy is generated.

Savita adds, "In a ready-made idol, there is not much fun. But here, we all enjoy the process of making Ganesha and Gowri. Participants love giving shape to clay and carry back the idol for worship in their homes. We teach them to make big and small idols, seed Ganesha idol, etc. Bigger idols are generally done in moulds and the other descriptive features are then shaped on them."

It generally takes about 2 hours for people to make their own big idol with the help of artists and it takes about an hour to make a small Ganesha. Seed Ganesha is a mould which has a seed placed inside it and it is kept in the pot. This pot is watered daily and after a few days, it turns into a beautiful bean plant or a marigold plant. "We use a little bit of paint in the end to decorate the eyes and describe features. All the idols are prepared according to culture and in consultation with priests," she adds.

Festivals are meant to be celebrated with friends and families together and especially in modern times of nuclear families where there is less connect or bond within families. In such a scenario, such workshops bring families and friends together and creates fond memories. **This workshop started about a week ago and will be open till Sept. 1 from 10 am to 7 pm.**

L.V. Mukund's Flute concert at Raaga tomorrow



Mysuru, Aug. 30- As part of its monthly music programme and the Annual Sri Krishna Jayanti celebrations, Raaga Music Academy is featuring the well-known flautist **Vid. L.V. Mukund** on Saturday, the 31st, at 6 pm at Prajna Kuteera, Vishwamanava Double Road, Kuvempunagar.

The Krishna Jayanti celebrations with a Mahapuja will be conducted between 5.15 pm and 6pm at the same venue.

Vid. Mukund, one of the torchbearers of the famous 'Belakavadi' family, had been under the guidance of his mother Vidu. Radha Vijayaraghavan and Vid. Prapancham Balachandran. Currently he is under the tutelage of his maternal grandfather Vid. Belakavadi Rangaswamy Iyengar, a renowned veteran vocalist.

Mukund was also attracted towards flute and had been under the discipleship of Maestro *Padma Shri* N. Ramani. He has performed extensively alongside his Guru. This multi-talented performer has also a brilliant academic record and has given up his software job at the US to pursue music full-time.

He has performed in all major sabhas in India and abroad, some of which are Indian Fine Arts Society, Sri Krishna Gana Sabha, Chennai, Gayana Samaja, Bengaluru, Shanmukhananda, Mumbai, Cleveland Thyagaraja Aradhana, Emory University, Atlanta. Numerous awards have also followed him. Swaralaya Bharathi of Malleshwaram Sangeetha Sabha, Asthana Vidwan of Kanchi Kamakoti Peetham, Ganakalashri, Ananya Yuva Puraskara, Surmani to name a few.

On Saturday, Mukund is being accompanied by **Vid. J.K. Sridhar** on the violin, **Vid. H.L. Shivashankaraswamy** on the mridanga and **Vid. Raghunandan Rao** on the ghata.

— Veena Arun Kumar

Light music programme and prize distribution

Dr. H.S. Indira

H.R. Leelavathi

Sugama Sangeetha Academy Trust, Mysuru, was founded more than 35 years ago by **H.R. Leelavathi** and her husband **late S.G. Raghuram.** The Academy is devoted for promoting light classical music based on the poems written by Kannada poets and poetesses. Under the guidance of well-known singer H.R. Leelavathi, the Academy arranges four programmes annually including one State-level competition. On Aug. 25, Academy in association with Rotary West conducted 25th State-level light music singing competitions. More than 80 singers in varied age groups participated.

Prize distribution

Tomorrow (Aug. 31), the Academy has organised a programme to distribute prizes to the winners of the competition. Rtn. K.V. Murthy, President, Sugama Sangeetha Academy, will preside. Rtn. Reginald Wesley, President, Rotary West, will be the chief guest. On the occasion city's talented but unsung singer who is serving the music and cultural world selflessly, **Sunanda Dileep** will be honoured. This will be followed by a light music programme by **Dr.H.S. Indira, Chennai.**

ABOUT THE ARTISTE

Dr. H.S. Indira, a Doctorate in Geology from Mysore University, is the daughter of Venkatalakshamma and H. R. Srikanthaiah. Born and brought up in Mysuru, she started learning light music from H.R. Leelavathi and classical music from Vidushi Mahalakshmi at a very young age.

She is a graded artiste in Akashavani and Doordarshan. Currently, she is residing in Chennai and there she is learning Hindustani classical music from Pandit Krishna Balesh, who is the disciple of Ustad Bismillah Khan.

On Saturday (Aug. 31), Indira will be accompanied by **Shanmuga Sajja** on Keyboard and **Indu Shekhar** on tabla. Sugama Sangeetha Academy welcomes all music connoisseurs. Entry for the programme is free.

Karnataka Premier League-2019

Tigers decimate Lions to progress

Mysuru, Aug. 30- Hubli Tigers were at their proficient best as they notched a 20-run win over Shivamogga Lions at SDNR Wadiyar Stadium yesterday to make it to Qualifier 2 of this year's Karnataka Premier League.

The Tigers now face Belagavi Panthers, the losing side from Qualifier 1, for a spot in the final against the Ballari Tuskers. Riding on a stellar show from their batsmen, the Tigers cruised to 190 for 5 in 20 overs in the face of a tepid show from the Lions.

When it was Lions' turn to bat, they were made to realise just how loose they had been with the ball on a wicket which wasn't conducive to strokes. They crawled to 170 all out in 19.3 overs with Mitrakanth Yadav returning figures of 3 for 18 in four overs.

But the game was as good as done in the first half when Lions' normally stringent attack betrayed them. Lions needed something special from their batsmen, but barring knocks from Pavan Deshpande (38) and Abhimanyu Mithun (40) towards the fag end, they had nothing to write home about.

Opting to bowl, the Lions operated with very little direction and it was a problem which started at the very top as Mithun, the Lions' skipper, looked out of sorts. The rest of the unit and the fielders weren't particularly inspiring either.

Capitalising on this all-round lack of discipline, R. Vinay Kumar (55 from 45 balls), K.B. Pawan (56 not out from 39 balls) and Mohammad Taha (41 from 22 balls) had their way. If anything, the Lions got away with it because the pitch was a bit harder to play on than the one used on Wednesday.

In response, the Lions' score (122) was near identical to Tigers' 126 for 2 after 15 overs, but the difference was that the former had lost five more wickets at the same stage.

Brief scores: Hubli Tigers 190 for 5 in 20 overs (Mohammad Taha 41, R. Vinay Kumar 55, K.B. Pawan 56 not out, Pravin Dubey 23) Vs Shivamogga Lions 170 all out in 19.3 overs (Pavan Deshpande 38, M. Nidhish 26, Abhimanyu Mithun 40; Mitrakanth Yadav 3-18, Abhilash Shetty 3-39, Aditya Somanna 2-30).

TODAY'S MATCH - QUALIFIER 2

Belagavi Panthers Vs **Hubli Tigers** 7 pm

Venue: SDNR Wadiyar Stadium, Mysuru

Debris at Saraswathipuram Fire Station finally cleared

Mysuru, Aug.30 (MK&NNN)- The debris that had gathered following the collapse of a portion of the portico of the heritage building of the Saraswathipuram Fire Brigade Station on Aug. 9, was finally cleared on Wednesday evening.

In the light of the report in *Star of Mysore* dated Aug. 26 that even though the portico had collapsed more than 16 days ago, the debris was lying unattended, the Mysuru City Corporation (MCC) finally responded and got the debris cleared yesterday.

The debris was cleared under the supervision of MCC Zone 4 Development Officer Sunil, Chief Fire Officer Yunus Ali Kousar, District Fire Officer H. Raju, and Saraswathipuram Fire Brigade Station Officer Nagaraj Urs.

The front portion of the entrance of the Fire Brigade is now clean and completely barricaded.

Dr. A.N. Prakash Gowda is new DCP

Prakash Gowda

Mysuru, Aug. 30- The State Government on Wednesday appointed senior Police Officer Dr. A.N. Prakash Gowda as the new DCP (Law and Order) of the city.

Prakash Gowda, who was serving as Hassan SP was recently transferred without posting. Now he has been appointed as DCP at Mysuru.

Prakash Gowda had earlier served as Krishnaraja Sub-Division ACP in city a few years ago.

Bhavishya Nidhi employees stage protest

Mysuru, Aug. 30 (MK&KS)- Urging for fulfilment of their various demands, the members of Bhavishya Nidhi Employees Association, Mysuru Unit, staged a protest on Wednesday.

The members, who gathered in front of Bhavishya Nidhi Bhavan at Gayathripuram, shouted slogans and expressed their anger. They demanded the differentiation being made between Group A, B, C and D employees be stopped.

Speaking on the occasion, Association President K.P. Anand said that the salaries of Group A employees were being increased every year and promotion given once in four years, which was not being considered for Group B, C and D employees who are leading their lives with meagre salary. "In my 28 years of service, I have been promoted just once," he added.

He alleged that there is a lot of pressure at work and opportunity is not being given to new faces. There is shortage of employees and we are forced to work on holidays. The problems were not being heard by the senior officials, he said. Association Secretary B.N. Ramesh, Nanjundaswamy, Gopalashetty and others were present.

Udayagiri Police conduct meeting at Nehru Nagar

As part of the new 'Beat System' introduced by City Police recently, Udayagiri Police, led by Inspector P.P. Santosh, conducted a meeting with the residents at the community hall in Nehru Nagar recently and heard the grievances of the residents. The Police also issued guidelines for peaceful celebrations of Ganesha festival. Picture shows Inspector Santosh addressing the gathering as Residents Association President Mujahid, Police personnel Mahendra, Puttaraju, Sanappa and others look on. Association office-bearers Younus, Sageer Ahmed, Sanaulla, Mani and area residents participated in the meeting.

The Sandal Urus Procession will be taken out to Masjid-e-Ahle, Srirangapatna and will join the procession of Tippu Sultan Wakf Estate to reach Gumbad-e-Shahi, Ganjam, Srirangapatna.

MLA Tanveer Sait, former Corporator Naseeruddin Babu, MLC Rizwan Arshad, Sufi Hazarath Waliba of Bengaluru, S. Moinuddin Pasha, Secretary of Central Meelad Committee, Mysuru, Riyaz Khan of Tippu Function Hall will participate in the programme.

After function at Meelad Park, the procession will begin at 11.45 am from Madrasa-Quwathul-Islam (Nawab Saheb Physical Institutions, Tippu Hall) on Sawday Road in Meena Bazar.

For details, contact Mob: 93798-56537.

Arecanut thief shot dead in Kodagu

Madikeri, Aug. 30 (PS&KS)- A thief, who had entered a house at Karike village near Bhagamandala in Kodagu, to steal stored arecanuts was shot dead by the house owner last night.

The deceased has been identified as Devangodi Ganesh and the house owner is Honnappa. Yesterday at about 11 pm, Ganesh is said to have entered the house of Honnappa in a bid to steal arecanuts.

Honnappa, who saw someone entering the house, picked up his gun and opened fire.

The bullet hit Ganesh's thigh and he died due to excessive bleeding.

Bhagamandala Police have arrested Honnappa and have seized the gun. Kodagu SP Dr. Suman D. Pennekar also visited the spot.

The deceased Ganesh is said to be a habitual offender and has four cases registered against him at Bhagamandala Police Station, two cases in Sullia and two cases in Kerala.

'Huccha' Venkat thrashed in public at Madikeri

Some people were under impression that a film shooting was in progress and Venkat was thrashing the baddies

Madikeri, Aug. 30- A video of actor-cum-director 'Huccha' Venkat being assaulted by a group of people for allegedly misbehaving in public is going viral on social media platforms. The mob later handed Venkat to the Madikeri Police.

The incident took place near the KSRTC Depot at Madikeri last evening. Venkat who seemed to be in an inebriated state reportedly slapped a youth named Dileep without any provocation. Venkat broke the windshield of a car parked in front of the depot. He also pelted stones at the vehicle.

When Dileep, a resident of Napoklu, was returning from an ATM kiosk, Venkat slapped him without any provocation. Irked by his misbehaviour, a few local residents thrashed Venkat and later handed him to the Police.

Ironically, many who knew 'Huccha' Venkat because of his histrionics were under an impression that a film shooting was in progress and Venkat was thrashing the baddies. When he was being thrashed, the public realised that it was for real. Madikeri Police later took Venkat into custody.

Police said 'Huccha' Venkat had come all alone to Madikeri in a car. Clothes, blanket and chappals were found in the vehicle. Venkat is a frequent visitor at Madikeri and was not seen for the past four months.

Latest reports from Madikeri said that after being released from the Madikeri Police Station, Venkat headed to Kushalnagar in his car and fought with a petrol pump employee. He also created a scene in Periyapatna where he abused some people.

Man goes missing from city

Badarinarayana

Mysuru, Aug. 30 (KS)- A 31-year-old man has gone missing since Oct. 28, 2014 from city, according to a complaint lodged at Vijayanagar Police Station.

The missing person, identified as G.S. Badarinarayana is 6.2 ft. tall, round faced, fair complexioned, medium built, has burn marks on his waist and speaks Kannada and Hindi.

WORD OF THE DAY

Sporadic

Pronunciation: spuh-RAD-ik.
Meaning: Occurring occasionally, singly, or in irregular or random instances.
Origin: Sporadic describes the distribution of something across space or time that is not frequent enough to fill an area or period, often in scattered instances or isolated outbursts (as in "sporadic applause"). The word comes from Medieval Latin sporadicus, which is itself derived from Greek sporadēn, meaning "here and there." It is also related to the Greek verb speirein ("to sow"), the ancestor from which we get our word spore (the reproductive cell of a fungus, microorganism, or some plants), hinting at the seeming scattered nature by which such cells spread and germinate.
Example: "Continuous permafrost hugs the Hudson Bay coast and spreads inland about 75 kilometres before becoming discontinuous and sporadic. Like peat, permafrost is an effective storehouse of greenhouse gases." — Kenyon Wallace, The Toronto Star.

THE ODD WORD

Sewist

A person who sews.

PHRASE OF THE DAY

Shoot through

Meaning: To abscond, or depart quickly.
Origin: Bondi trams seem to be the favourite vehicle that Australians say 'shoot through'.
This expression is commonplace in Australia and New Zealand and is becoming more used elsewhere due to the influence of Australian soap-operas like Neighbours and Home and Away.
The first record I can find of it in print is a definition in the Australian pin-up magazine Pix, which was published in Sydney in September 1947 by Associated Newspapers Limited:
"Shoot through, escape, abscond." For a popular magazine to have felt the need to define the expression it couldn't have been very old at that date.

QUOTE BOX

Float like a butterfly, sting like a bee. — **Muhammad Ali**

RIDDLE THIS

What has hands but can not clap?

Answer: A clock.

SUDOKU

Answer to previous puzzle

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

C SXUW AXCFWQ RXEO NCRWL, XEQ

NSXN'L VSO C XR X LIDDWLL

TODAY'S CLUE: L EQUALS S

Wednesday's Cryptoquip: Logic will get you from A to Z; imagination will get you everywhere.

UoM Faculty bags NASI-Young Scientist Award

Mysuru, Aug.30- University of Mysore (UoM) has set a milestone as its faculty member, **Dr. C.D. Mohan,** is chosen for the National Academy of Sciences, India (NASI)-Young Scientist Platinum Jubilee Awards-2019.

Dr. Mohan works as an Assistant Professor at the Department of Studies in Molecular Biology, University of Mysore, Manasagangothri. He works under the supervision of Prof. K. S. Rangappa, former Vice-Chancellor, University of Mysore, on the discovery of small molecule modulators of cancer cell death.

It may be recalled that Prof. Rangappa and his team recently published their research findings in internationally reputed journals such as Proceedings of the Academy of Sciences, USA, and iScience.

Dr. C.D. Mohan

The National award is given by the NASI to recognise promise, creativity and excellence in young scientists under the age of 35 years.

"For the first time, this award is given to faculty from the State Universities of Karnataka and it is an honour to the University of Mysore to have NASI-Young Scientist Awardee, which may motivate many youngsters," said Prof. Rangappa in a press release.

NASI was established as the first Science Academy of the country in 1930 with an objective to provide a national forum for the publication of research work carried out by Indian scientists and to provide opportunities for exchange of views among them.

NASI is financially supported by Department of Science and Technology (DST), Government of India and also recognised as scientific and industrial research organisation by the Department of Scientific and Industrial Research (DSIR).
